### Overarching Objective

Throughout the decision making process the tribunal has borne in mind the statutory overarching objective as set out in s1 Medical Act 1983 (the 1983 Act) to protect, promote and maintain the health, safety and well-being of the public, to promote and maintain public confidence in the medical profession, and to promote and maintain proper professional standards and conduct for members of that profession.

The Tribunal adjourned this hearing.

The substantive matters will be relisted to be considered before a newly constituted tribunal. At the conclusion of the relisted substantive hearing, the MPTS will review whether a publishable version of the Tribunal's decisions at this hearing can be published.
